

Social Media for the Retail Vertical

We've provided images and copy for three social media posts to promote your offering stores. The images are sized to work for LinkedIn, X (Twitter), and Facebook.

Social Post #1

Focus on your customers, not your #phonesystem. Learn how we help stores stay connected. <<link to your website>>

Social Post #2

Spending too much time and money on the #phonesystem for your stores? Learn how you can save AND get more value for customers and staff. <<Link to your website>>

Social Post #3

Get a #phonesystem that understands the needs of your stores. Reliable, flexible, cost-effective communications you can count on. <<link to your website>>
