

# Social Media for the Education Vertical

We've provided images and copy for three social media posts to promote your offering schools. The images are sized to work for LinkedIn, X (Twitter), and Facebook.

## Social Post #1

Focus on your students, not your #phonesystem. Learn how we help schools stay connected. <<link to your website>>

## Social Post #2

Effective communication is as critical for your #phonesystem as it is in the classroom. <<link to your website>>

## Social Post #3

A #phonesystem that understands the needs of your school. Reliable, flexible, cost-effective communications you can count on. <<link to your website>>
